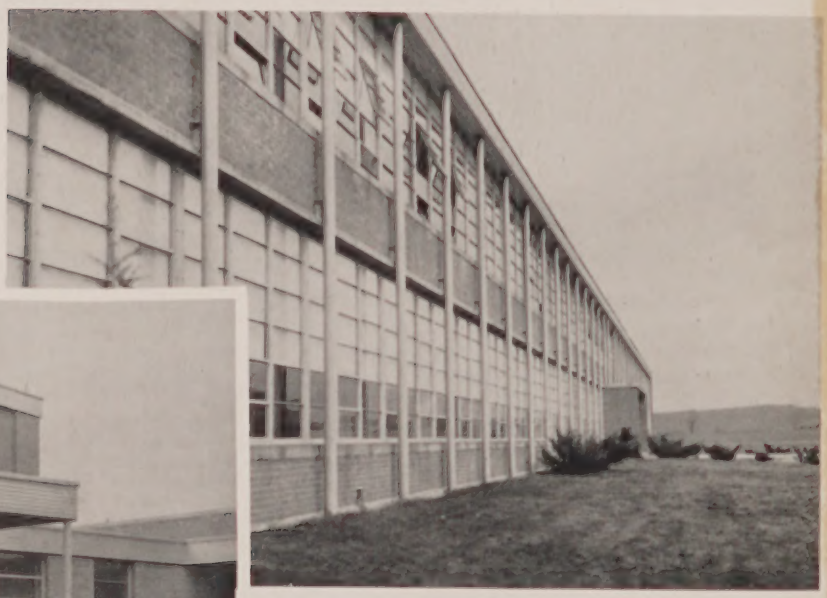
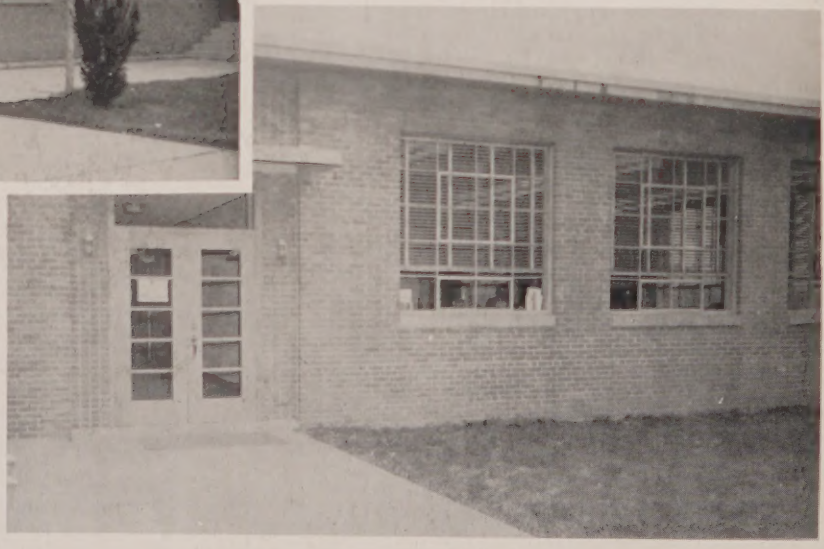
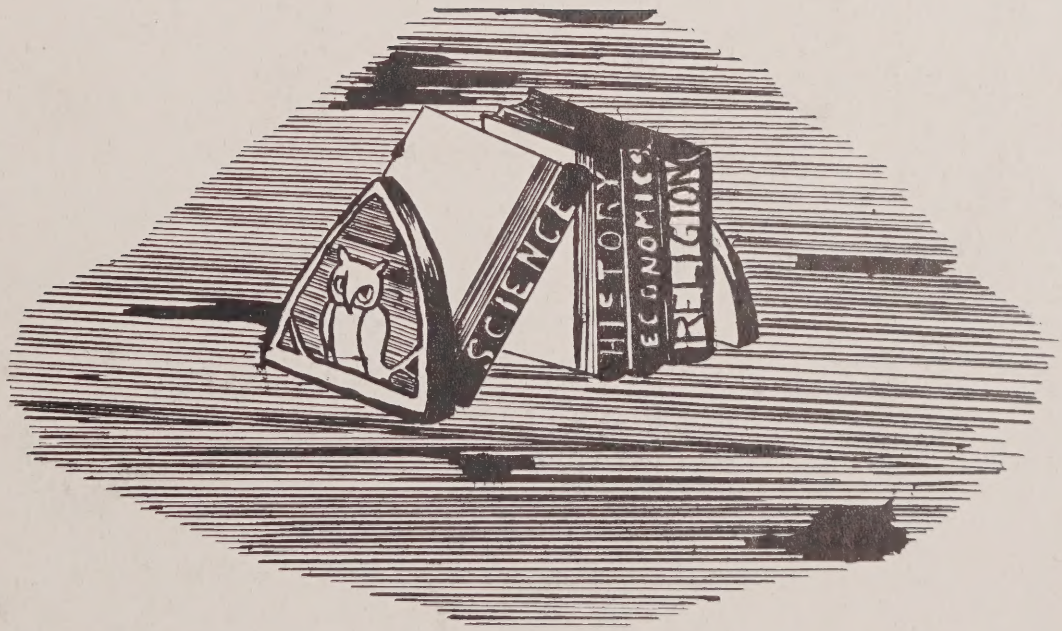
We Come To Northern





To Guide and Develop Garrett County Youth



Principal's Message

Dear Students:

As this school year, 1956-57, comes to a close, you should reserve time to take stock of what you have accomplished during the past ten months. Now is the time to look back. Are you satisfied with your accomplishments? Remember, your actions of yesterday and today will determine, to a great extent, what you will do in the future.

Northern High School was constructed for the purpose of preparing the youth of Northern Garrett County to better prepare themselves for the future and to make them better citizens. Your parents, your teachers, your neighbors, and your county and state officials have labored hard to make this school possible. You should be proud of Northern High School. You should take advantage of every opportunity available here which will help you to become a better, more informed citizen of tomorrow.

Someone has said that "the world marches forward on the feet of youth." Yes, and the world may stand still, or it may even move backward into darker ages. It all depends on how much you--tomorrow's citizen, tomorrow's leaders in every walk of life, tomorrow's ambassadors to the ends of the earth--understand today's problems and so prepare yourselves to meet tomorrow.

To our 1957 graduates, I would like to extend my personal congratulations and best wishes for success in the future.

To our students who will return next fall, I would like to extend best wishes for a most pleasant summer vacation. We'll be looking forward to seeing you in September.

Sincerely,

B. J. Muha

Class Song

(Tune - Moments To Remember)

The time has come to say good-bye;
From you we'll part, dear Northern High,
We will have these moments to remember.

The crowded halls, the earnest fun,
The loyal friends that we have won-
We will have these moments to remember.

The past is gone forever,
The present is so clear,
The future's so uncertain,
But we'll face it without a fear.

Our happy times, our heart-felt tears-
These things we'll treasure through the years,
We will have these moments to remember.

Dedication Song

(Tune - Cross Of Gold)

We'll be gone when the dawn comes tomorrow,
We are leaving dear Northern so true,
But we'll cherish the memories forever,
The memories of our gold and blue.

Every year we have spent here we'll treasure,
You will live in our hearts as today,
You'll be with us wherever we journey,
You're our honor, our tribute and praise.

When deep fears and dark thought assail us,
And life isn't all that we've planned,
We'll then search our hearts for dear Northern,
And smile as we try it again.

Let us always walk honest and upright,
And give honor where honor is due,
May we ever live up to the standards,
Of dear Northern, our own gold and blue.

Written by the Senior Class of '57 as a dedication and tribute to Northern High School.
